At the beginning of each month Qatar Chapter officers plan for scheduling and determining rides of the month. Rides are shared with committee members in a calendar format so that each member is aware of the dates and destination of the rides.

H.O.G. Qatar Chapter Committee Management is always keen on further development of H.O.G. Qatar Chapter Committee and looks forward to more progress and more success for our committee.

Each group ride Chapter makes is an experience and adventure. Together H.O.G. Qatar chapter members ride to explore places among Doha, strength the camaraderie between all members, and entertain themselves whether they ride as individuals or by arranging family events - thanks to Chapter's HD Doha Sponsoring Dealer for their support during all the rides and events arranged.

ROAD TEAM TRAINING

Qatar Motorcycle Club "BATABIT" conducted Road Team training courses in December 2023. Qatar Chapter members attended the Road Training Program to improve their riding skills, increase the safety level while driving and to have better control and coaching while riding in groups.
